NOTICE OF MEETING TO VOTE ON TAX RATE

A tax rate of **\$0.008163** per \$100 valuation has been proposed by the governing body of the Panhandle Groundwater Conservation District (PGCD).

| | |
|--------------------------------|------------------------------|
| PROPOSED TAX RATE | \$ 0.008163 per \$100 |
| NO-NEW-REVENUE TAX RATE | \$ 0.008163 per \$100 |
| VOTER-APPROVAL TAX RATE | \$ 0.009661 per \$100 |

The no-new-revenue tax rate is the tax rate for the 2024 tax year that will raise the same amount of property tax revenue for PGCD from the same properties in both the 2023 tax year and the 2024 tax year.

The voter-approval tax rate is the highest tax rate that PGCD may adopt without holding an election to seek voter approval of the rate.

The proposed tax rate is not greater than the no-new-revenue tax rate. This means that PGCD is not proposing to increase property taxes for the 2024 tax year.

A PUBLIC MEETING TO VOTE ON THE PROPOSED TAX RATE WILL BE HELD ON September 17, 2024, at 9:00 a.m. at 201 W. Third Avenue, White Deer, TX 79097.

The proposed tax rate is not greater than the voter-approval tax rate. As a result, PGCD is not required to hold an election to seek voter approval of the rate. However, you may express your support for or opposition to the proposed tax rate by contacting the members of the Board of Directors of PGCD at their offices or by attending the public meeting mentioned above.

YOUR TAXES OWED UNDER ANY OF THE TAX RATES MENTIONED ABOVE CAN BE CALCULATED
